## **Family Members**

Family Membership consists of a household of Members which may include a spouse or partner and/or their children. Children shall be included in Family Membership until they finish tertiary education.

Parent/s and/or extended family residing with a couple will have to pay separate membership fees unless they qualify for 65+ membership (refer below).

## **Single Member**

Single Membership consists of a Member who seeks sole membership to CDIA, regardless of whether they are with or without a spouse or partner and/or children. The benefits of CDIA membership shall extend to that Member only, and shall not extend to their spouse or partner and/or children.

## **65+ Membership**

At our 2016 AGM the following remit was passed unanimously.

A CDIA member shall be exempted from paying the annual CDIA subscription once that member has:

- (i) reached the age of 65 as of 1st January of the financial year and
- (ii) has been a financial member for a period of 10 or more consecutive years prior to 1st January of the financial year.

For a couple when only one spouse or partner qualifies this exemption of the annual CDIA subscriptions will also apply to the non-qualified spouse or partner.

Exemption of the annual CDIA subscription does not extend towards the payment of any entry fees and/or costs payable for events hosted by CDIA.
